Home and Staff News

As part of our health and safety improvements, we have purchased a TOLO wheelchair. This chair will allow residents to manage stairs, should the lift, unexpectedly, not be in working order.

The Tolo wheelchair as modelled by our Enthusiastic Manager, Monica!

The Tolo wheelchair is a comfortable, battery powered mobility unit.

We have also recently changed the light fixtures as part of our ongoing commitment to renovating the Home.

We are planning to renovate the laundry room and will be replacing our existing washing machines/dryers. We have made arrangements to ensure minimal disruption to the care we provide your loved ones. We will also be ensuring laundering services at Regency are provided as normal.

These works are scheduled to take place on Tuesday May the 21st and Wednesday the 22nd May. There will be heavy equipment being moved into the home and reduced parking outside the home. We would like visitors to take this into consideration before coming to visit.

As part of the improvements we are making at Regency, we will be updating the Wi-Fi and phone lines to help support the services provided by staff. This will take place on the 22nd and 23rd of May, so please expect difficulties with our phone lines as the changeover is implemented. We will still be contactable on our mobile number- 07466807003.

We also look forward to adding a new member to our Team here at Regency, Tatiana who will be joining us as a Carer in early May!
